In the Archdiocese of Boston, Cardinal Seán has encouraged all Catholics to again use the candle as a symbol of welcome. If you are a non-Catholic, we invite you to learn more about Catholicism. If you are a Catholic who has been away from the faith, we would like to welcome you home. **Yes, there is a place for you.** St. Augustine, upon returning to the Church after some time away, addressed the Lord with the words, "You have made us for Yourself, O Lord, and our hearts are restless until they rest in You." If you are experiencing restlessness, Jesus can help you experience peace. Like St. Augustine, you can come home. The candle in the window is for you.
